DYMO

3M™ Portable Labeller Embosser PLE

- Industrial labels are made easy with the tough cast-aluminum labeller.
- Imprints ½" (12 mm) wide metal tapes that withstand weather, temperature and corrosion.
- Cable tie slot for cable marking.
- Front scissor cutoff for fast and easy label application.
- Built-in hole punching device that makes hanging and tacking a breeze.

3M

Metal tape embossing at your fingertips.

This portable metal tape embosser is tough enough to accompany you in the field and is easy to use. Since it can make labels on site that are capable of weathering the harshest conditions, there's no need for time-consuming trips to an engraving shop. All you'll have to do is type, cut and apply.
